

*balecord*®  
**GIANT SPOOLS**

**CORDEXagri**®  
Bale with ultimate strength

# Benefits:

- **Less time stringing up;**
- **Less hand tied knots** between spools = **fewer mis-ties** in the field;
- The baler has 50% more string, can therefore stay in the field **50% longer without needing to refill;**
- **Greater productivity;**
- **Less down time;**
- **No need for** someone to come out in a pick-up truck **early evening** with more twine to **fill** up the baler;
- **Higher profitability;**
- **Fewer problems.**
